Notes for Jim Terry

Parents are Daniel Casebolt and Minerva Everage.
Here is how the Casebolt surname gradually was replaced by the Terry surname.

In 1809, John Casebolt married Sabra Estep in Floyd Co., KY. John and Sabra had two daughters and one son, Silas. Silas was born about 1813 and John died about 1814. Sabra married William Terry in 1816. Silas sometimes used the Casebolt surname and other times used Terry. Daniel Casebolt, one of Silas's older children always used the Casebolt surname. James "Jim" Terry was the youngest child of Daniel and Minerva. Jim was born in 1893 and Daniel died in 1899. The family cemetery is on Newman Branch of Laurel Fork of Quicksand Creek. The surname of those who died in the 1800s and eary 1900s is Casebolt. The surname of those who died later is Terry. When John, Jim Terry's brother, was married in 1910, his name was recorded as John Casebolt. When their first child was born in 1911, the child's surname was listed as Terry. William Terry, Sabra's second husband, lived to be an elderly man and would have been remembered by the older generation of the early 1900s. Silas would not have remembered his real father, John Casebolt. With no written record and only verbal tales of their ancestry, the Terry surname took precedence with most of Silas's descendants. (This explanation furnished by Yvonne Hall, a

granddaughter of John Terry.)

Social Security number is 406-01-9125.
His first cousin, Harry Robert Lowder, reported that Harry had received a pay check and went to a local bar in downtown Cincinnati and cashed the check. He drank beer for a while and left the bar. He was mugged and robbed on the way back to his father's apartment. He died later that night probably from the effort he made to prevent being robbed of his last cent.

Children of Radia Maurine Bailey and Harry Barton Lowder were as follows:

This church later merged with another church and the building was razed. The reception after the wedding was held at the Heritage House. This all-you-eat smorgasbord was enjoyed by all! Harold and Rita spent their honeymoon in Toledo, Ohio, Toronto, Canada, and Niagara Falls, Canada. They have lived in Fort Wayne, IN since their marriage. LAND: His first house was a small house on the south side of Witmer Lake near Wolcottville, Lagrange Co., IN. He did a great deal of maintenance to the house and grounds before selling it in 1978. He then bought a house at 3008 North Anthony Blvd., Fort Wayne, Allen Co., IN in OCT 1978. This is in the Paramount Subdivision. It is a three story red brick house that was built in 1930-31. MILITARY: Harold was drafted into the US Army on 10 MAY 1957. He was processed through the Chicago Processing Center and was sent to Fort Leonard Wood, MO for assignment. Two weeks later he was sent to Fort Hood, TX where he was assigned to A Company of the 51st Infantry of the 4th Armored Division. He went through basic training and company supply school at Fort Hood, TX. In OCT 1957, he and the entire 4th Armored Division were reassigned to southern Germany. In 1963, he attended several IBM schools and was given the additional duties of IBM 1440 computer programmer. He designed and wrote programs for several systems. He then went to Joslyn Stainless Steels in Fort Wayne, IN and spent 18 months there working as a programmer. In 1967, he went to the Indianapolis Hospital Development Association (IHDA) and worked as a programmer for one year. After almost nine years, he went to Magnavox Electronic Systems Co. in Fort Wayne, AllenCo., IN where he worked until his retirement 1 MAY 1991. While at Magnavox, he was a programmer, senior system analyst, development manager, and manager of production support. All in all, an

interesting career! SPORTS: He was always an avid sports fan but never played any organized sports until 1961 when he started playing golf and signed up for a bowling league. Bowling became his main sports interest and after much practice reached 200 pins a game average in 1971. His high season averages are 216 in 1994-95 and 215 in 1998-99. He has averaged 200 or more for a league season 37 times. In the spring of 2000, he bowled two perfect 300 games and in the fall bowled another 300 game. During the 1970s, he bowled for five years in the Professional Bowlers Association Region tournaments. In 2001, he was still bowling in four leagues. His only notable accomplishment in golf is a hole-in-one on hole #14 at Brookwood Golf Club in Fort Wayne, IN in May 1982. In 1999, he was still playing in four golf leagues. Curiously, he is a righthanded bowler but plays golf lefthanded. GENEALOGY: In 1986, he took a class in Genealogy at a local university - Indiana-Purdue Fort Wayne.
